Use the prices and shipping charges to estimate your remittance. Due to the random weights of cheese your order will be billed when packaged for shipment. If your order is less a refund will be issued with your order. If your order is more you will be invoiced the difference. VISA / Mastercard customers will be billed the exact amount when the order is prepared. Shipping charge will be actual cost, plus \$2..95 handling for each address. We are not responsible for non-delivery if the address is incorrect or incomplete.
(P.O. Boxes will be shipped by U.S. Post Office only.)
